Brgy. 2, San Francisco, Agusan del Sur, 8501

PROFESSIONAL OBJECTIVE

Motivated and results-driven Bachelor of Science in Information System graduate with strong communication, customer service, administrative, and technical skills. Proficient in MS Office applications and various digital tools, with the ability to learn quickly and adapt to new environments. Seeking an open position where I can contribute to the organization's success while gaining valuable professional experience. I am open to opportunities in both business-related and Information Technology roles, where I can apply my skills, grow professionally, and support organizational goals.
